Fall/Winter Loose Leaf Collection Service

Dear Lakeland Residents,

The City of Lakeland is preparing for the collection of loose leaves for the upcoming Fall/Winter seasons. This information is very important to all Republic Services customers.

Starting November 17th, loose leaves will be collected from residential properties as follows:

- Loose Leaves will be collected from each resident's curb by a vacuum truck.
- Leaves must be on resident's property; no more than 5 feet from the street.
- Leaves should never be raked into the street as they can be washed into the storm sewer and cause flooding for your neighborhood. Please do not rake leaves into streets!!
- Do not pile leaves around mailboxes and signposts. Place the pile in an open area.
- Leaf Collection Crew will not pick up leaves from under, between or around parked vehicles. If the vehicle is not moved, the leaves will be left until the next pick up in your area.
- Contractors/Lawn Care Professionals must haul away their own waste.
- Please do not put grass, tree branches or brush in with leaves.
- **NO BAGS ALLOWED!**

Leaf Collection Schedule is available on our website; visit www.lakelandtn.gov.

The collection of solid waste (household trash), yard waste and recycle will remain as scheduled. Bagged leaves (2 bag limit per cart) will be collected by Republic Services as yard waste on collection day.

MARK YOUR CALENDAR!

LAKELAND'S COMMUNITY CLEAN-UP DAY!

SATURDAY, NOVEMBER 8, 2014

8 am - 12 pm

WINDWARD SLOPES PARK

BEVERLE RIVERA DRIVE (Next to Fire Station #1)

For detailed information and for leaf collection in your neighborhood; visit the City's website at www.lakelandtn.gov.
